

Cookies policy

The DistanceUniversity.ch website uses cookies. A cookie is a very small text file that is sent from a web server to a browser. The cookie saves information about your last visit, such as your preferred language or other settings. This allows us to better understand your interests so that we can continually improve our website. They also allow us to save your visits.

1 How Distance Learning University uses cookies

The Swiss Distance Learning University uses cookies for internal statistics and in collaboration with partner agencies in order to show personalised promotions on third party sites. Collected data is treated confidentially and is not passed onto third parties. We do not save any personal or security-related data.

2 How can I deactivate / activate cookies?

You can accept or reject cookies by changing the settings in your browser. You can set up your browser so that it always asks you to accept cookies when visiting a page. You can also delete all cookies that have been installed in your browser. Click on the links below to see a selection of browser requirements
