Research topics

Human memory

- short-term memory
- working memory
- memory for language and music
- domain-generalty of serial order phenomena in memory

Learning

- role of memory for serial order and rhythm abilities in verbal learning
- role of serial order in musical learning

Music cognition

- music perception and memory
 - link between memory for music and singing abilities
 - association between music expertise and cognitive abilities
-

Professional experience

- | | |
|-------------------|---|
| 05/2020 – | Postdoctoral researcher
Faculty of Psychology
UniDistance Suisse, Switzerland |
| 08/2019 – 07/2021 | Lecturer
Faculty of Social and Political Sciences
University of Lausanne, Switzerland |
| 09/2017 – 08/2020 | Postdoctoral researcher and teaching assistant
Faculty of Psychology and Sciences of Education
University of Geneva, Switzerland |

- 06/2017 – 06/2017 **Research fellow**
Faculty of Psychology, Speech and Language Therapy, and Education
University of Liège, Belgium
- 10/2012 – 05/2017 **Doctoral researcher**
Faculty of Psychology, Speech and Language Therapy, and Education
University of Liège, Belgium
-

Education

- 2017 **PhD in psychology**
Faculty of Psychology, Speech and Language Therapy, and Education
University of Liège, Belgium
- 2012 **Master of Science in Psychology**
Faculty of Psychology, Speech and Language Therapy, and Education
University of Liège, Belgium
- 2010 **Bachelor of Science in Psychology**
Faculty of Psychology and Education
University of Mons-Hainaut, Belgium
-

Grant and awards

- Jul. 2020 **Study visit grant** (£ 2700)
Awarded by the *Experimental Psychology Society* to support a study visit to work with Dr Tom Hartley at the University of York on modelling rhythm in serial order short-term memory research (planned for November 2021)
- Dec. 2018 **Reg and Molly Buck Award** (£ 2500)
Awarded by *Society for Education, Music and Psychology Research (SEMPRE)* to support a post-doctoral research
Project title: "Maintenance in musical short-term memory: exploration of the role of sensorimotor processes" (in collaboration with Dr. Emma Greenspon)
- Nov. 2018 **Mobility grant** (CHF 440)
Awarded by the *Swiss Academy of Humanities and Social Sciences* for attending the 59th *Annual Meeting of the Psychonomics Society*
- Nov. 2018 **Mobility grant** (CHF 899)
Awarded by the *Presidence of the Psychology Section of the University of Geneva* for attending the 59th *Annual Meeting of the Psychonomics Society*
- Jul. 2018 **Mobility grant** (CHF 1000)
Awarded by the *Presidence of the Psychology Section of the University of Geneva* for attending the *Fifth European Summer School on Computational and Mathematical Modelling of Cognition*.
- Aug. 2013 **Mobility grant** (EUR 625)
Awarded by the *Fund for Scientific Research–FNRS* (Belgium) for ending the *biennial meeting of the Society for Music Perception and Cognition*.
- Oct. 2012 **Doctoral scholarship** (4 years grant)
Funded under a FRESH grant from the *Fund for Scientific Research–FNRS* (Belgium)
- Oct. 2012 **Doctoral scholarship** (4 years grant – DECLINED)
Funded under a NON-FRIA grant from the *University of Liège*
- May 2012 **Best poster award** (EUR 150)
Awarded at the *first joint international meeting of the Belgian and Spanish societies for psychological sciences* (BAPS-SEPEX)
